VINYL INDIA

INTERNATIONAL PVC & CHLOR - ALKALI SUMMIT & EXHIBITION 2026

Supported By

रसायन एवं पेट्रो-रसायन विभाग
DEPARTMENT OF
CHEMICALS & PETRO-CHEMICALS

The **13th Vinyl India 2026** successfully retained its position as the World's Largest PVC Summit and Exhibition for the 13th consecutive year.

Despite highly turbulent Global conditions and the prevailing **geopolitical uncertainties**, the Summit witnessed participation from over **1,150 delegates** representing **515 organizations** across **21 countries**. The Summit was held on 9th and 10th April in Mumbai.

Bringing together the entire PVC value chain, the Summit served as a Global congregation of industry stakeholders, reinforcing its status as a premier platform for all participants in the vinyl industry.

**Auspicious Beginning with
Ganesh Vandana**

Global Participation from 21 Countries with over 1150⁺ Attendees Representing 515 Organizations

from across the World to address Vinyl India**

Inaugural Ceremony & Keynote Addresses by Global Industry Leaders & Policy Makers
CMD, The Supreme Industries | Vice Chairman & CEO, Jain Irrigation Systems |
Chief Economist, CRISIL | Partner & Leader – Petrochem, McKinsey & Company, Turkey

Plenary Panel:

Group President - Procurement, **Reliance Industries** | Executive Director & Business Head,
DCM Shriram | Chief Strategy Officer, **Tricon Energy Ltd., USA**

Business Session 1: "Business Overview & Macro Indicators"

**CMD, Astral Group | COO-Polymers, Reliance Industries | MD, The Sanmar Group |
MD, Finolex Industries | Business Head – Vinyls, Reliance Industries | Director - PVC Chloride BU,
Wanhua Chemicals | Chief Mentor & Co-Promoter, RR Kabel**

Business Session 2: "PVC Market Fundamentals and Pricing"

Global Editor, **Argus Media**, Singapore | Director, **Chemical Market Analytics by OPIS**, Singapore |
ED, Asia Head, Inorganics & Vinyls, **S&P Global Energy**, Singapore | Market Analyst, **ICIS**, Singapore |
Ex. Global Head of Chemical Consulting, **S&P Global**

Business Session 3: "The Road Ahead for Pipes & CPVC"

AVP and Head Strategy & BD - Petchem, Adani Petrochemicals | National President, Indian Plumbing Association | MD & CEO, BirlaNu | MD, Welspun BAPL, Director - Sintex BAPL | Business Director - Lubrizol CPVC India, MEA, The Lubrizol Corporation

Business Session 4: "Innovations in Processing & Downstream Machinery"

CEO, Rollepaal Pipe Extrusion Technology, Netherlands | Director Europe and America, Neoplast Engineering, Italy | CEO, MIXACO Machinery Technology (Changzhou), China | Head of Process Engineering Pipe & Profile, KraussMaffei Extrusion GmbH, Germany | ASM - Asian Markets, Zumbach Electronic AG, Switzerland | Director, Margo Industries | ED & CEO, Windsor Machines

Business Session 5: "Sustainability and Circularity in Indian PVC Industry"

MD, Baerlocher India | Director, Global Plumbing and Plastic Products, NSF, USA | Partner, RP Plastic Industries | Asst. Prof., The Petroleum and Petrochemical College Chulalongkorn University, Thailand | Principal Architect, Folds Design Studio

Panel Discussion 1: “Breaking the Mold – Transforming Traditional PVC Empire into a Multi-sector Powerhouse”

Head - BD, Baerlocher India | Director, Skipper Pipes | Director, Kasta Pipes | MD, Jindal Group | Director, Sudhakar Profile Systems | Director, VOX INDIA | Buss Head (uPVC Window), Supreme Industries

Business Session 6: "Significant Developments in PVC Manufacturing Process"

Advisor Petrochemicals, **Adani Group** | Global Commercial Licensing Manager, **Johnson Matthey, UK** | Overseas Marketing Director, **Shandong Tianli Energy Co., Ltd. China** | Head of Technical Sales in Petchem & Vinyls Division, **thyssenkrupp Uhde GmbH, Germany** | Process Engineer, **thyssenkrupp Uhde GmbH, Germany**

Business Session 7: "Innovations in Applications & Machinery - Solutions for the Future"
GM, Reliance Industries | CEO, Rajoo Bausano Extrusions | Director, Sai Machine Tools | CMD, Dhabriya
Polywood | Promoter, JamunJar | BD and Director, Molecor Tecnologia, Spain | MD, Veka

Panel Discussion 2: "OPVC at Scale – Redefining Pressure Pipe Performance in India"
CEO, Dow India | ED, Oriplast | CEO, Chemfab Alkalis | BD and Director, Molecor Tecnologia, Spain |
Sr. V.P., Kabra Extrusiontechnik | GM, The Supreme Industries

Business Session 8: "World of Stabilizers in 2026"

Co-Founder and Director, **Goldstab Organics** | Global Director for R&D, **Platinum Industries, Germany** | Business Head - Pipe and Fittings, **Reagens, Spain** | MD, **Silvin Additives** | Senior Advisor, **Chemplast Cuddalore Vinyls**

Business Session 9: "PVC Additives - What's New"

Sales Director EMEA | Plastics Additives and Monomers, **Dow Chemicals, Belgium** | Sr. VP-Asia Pacific, **Galata Chemicals** | VP Sales & Marketing, **Benchmark Polytechnik** | Lead Scientist, **Solstice Advanced Materials, USA** | Technical Sales Manager, **Sun Ace, Australia** | New Product Dev. & Technical Service Manager, **PMC Organometallics, USA**

Panel Discussion 3: "Hardware - the Backbone of uPVC Window Performance"
MD, Lingel Windows and Doors Technologies, Germany | Founder, McCoy & WFM Media |
Director, DNV Global | MD, SIEGENIA India | Founder & Director, PEGO Hardware

Panel Discussion 4: “Reinventing PVC – Advanced Applications for Excelling PVC Performance”
Director, **Jyoti World** | Head BD, CPVC, **Reliance Industries** | Founder, **Hardy Smith & WPC News** |
Managing Partner, **Swastik Polymers** | VP, BD & MD, Corporate Entities, **KraussMaffei Technologies GmbH** |
GM(Plant), **Cooldeck Inds.** | Head - Product Marketing, **R R Kabel**

Interactive Q & A Sessions

USP of ElitePlus Summits - Unique combination of Summit & Expo | Over 50 Booths at Summit Area

1:1 Business Interactions at Exclusive Booths

**Unique Networking Opportunities
1] At Booth Exhibit Area**
